Financial Policy

In order to provide a reasonable quality of healthcare, it is very important for a practice to stay financially viable.

1. Payment is due at the time of service unless arrangements have been made in advance, we accept cash, Visa, Master Card and American Express. We reserve the right to accept checks for our established patients. For returned checks, a fee of \$25 will apply.
2. Your Health plan is a contract between you and your Insurance Company. Health plans vary widely as far as benefits are concerned and in some instances your responsibilities may not be evident until we get a response from the insurance company. You will be responsible for Co-pay, Co-insurance, and Deductible and uncovered charges which ever apply to you. The co-pay amount paid at the time of service is only an estimate of the patient's responsibility.
3. We file Insurance claims with the contracted insurance companies. If your insurance Company does not pay the clinic within a reasonable time (30-40 days), we will have to contact you for payment.
4. The services rendered may not be covered by your plan. If the insurance plan determines a service to be "not covered" you will be responsible for the complete charges. If it is later determined that your coverage was not active on the day of the service, you will be responsible for the charges.
5. The billed charges from the clinic will be due within 30 days of the billed date. If you are unable to pay, please call the office to set up a payment plan or an alternate arrangement. If we do not get a response from you after multiple contact attempts, your case may be referred to a collection agency.
6. By signing this disclosure, you authorize payment directly for X-RAY and other ancillary services. You may incur additional charges as a result of these ancillary services. Patient agrees to pay all charges due with respect to such services. Patient(s) acknowledge that X-RAY and other ancillary services are additional charge for which our facility may not be in contract with your insurance carrier. Patient accept responsibility for such X-RAY charges.

I have the right to add anyone or any organization that I do not wish to have my medical information by requesting in writing at any time.

I understand there are times when the law allows the provider and their assistants/designee to release information regardless of whether or not I give my consent as outlined in the notice of privacy practices. For example, Preferred Urgent Care may release information to doctors, nurses and other who provide me with health care or are prospective health care providers; to government agencies as authorized by law to insurance companies or others who are responsible for paying my medical bills; or to a court of law that issues a subpoena or court order.
